19   *CIES.—*

20           (A) *IN GENERAL.—The term “highly endan-*  
21   *gered amphibian species” means—*

22              (i) *any amphibian species categorized*  
23   *on the International Union for Conserva-*  
24   *tion of Nature Red List of Threatened Spe-*

1                   *cies as Endangered, Critically Endangered,*  
2                   *or Extinct in the Wild; and*

3                   *(ii) any other amphibian species cat-*  
4                   *egorized on the International Union for*  
5                   *Conservation of Nature Red List of Threat-*  
6                   *ened Species as Data Deficient or under a*  
7                   *threat category lower than Endangered if*  
8                   *the Secretary determines that—*

9                   *(I) the most recent International*  
10                  *Union for Conservation of Nature Red*  
11                  *List assessment indicates that the pop-*  
12                  *ulation is decreasing; or*

13                  *(II) such species is facing new or*  
14                  *emerging threats.*

15                  *(B) INCLUSIONS.—The term “highly endan-*  
16                  *gered amphibian species” includes—*

17                  *(i) live specimens, at all lifecycle*  
18                  *stages, of species described in subparagraph*  
19                  *(A);*

20                  *(ii) dead specimens, or parts or prod-*  
21                  *ucts thereof, of such species.*

22                  *(5) MULTINATIONAL SPECIES CONSERVATION*  
23                  *FUND.—The term “Multinational Species Conserva-*  
24                  *tion Fund” means the fund established under the*  
25                  *heading “multinational species conservation fund” in*

1       *title I of the Department of the Interior and Related  
2       Agencies Appropriations Act, 1999 (16 U.S.C. 4246).*

3           (6) *SECRETARY.*—*The term “Secretary” means  
4       the Secretary of the Interior.*

5   **SEC. 3. HIGHLY ENDANGERED AMPHIBIAN SPECIES ASSIST-  
6       ANCE.**

7       (a) *IN GENERAL.*—*In consultation with other Federal  
8       officials, the Secretary shall use amounts in the Fund to  
9       carry out a competitive grant program to provide financial  
10      assistance for the conservation of highly endangered am-  
11      phibian species.*

12       (b) *PROJECT PROPOSALS.*—

13           (1) *ELIGIBLE APPLICANTS.*—*A proposal for a  
14       grant under subsection (a) may be submitted to the  
15       Secretary by—*

16               (A) *any wildlife management authority of a  
17       foreign country that has within its boundaries  
18       natural habitat of a highly endangered amphibi-  
19       an species if the activities of the authority di-  
20       rectly or indirectly benefit that species’ conserva-  
21       tion; or*

22               (B) *any other person or group with the  
23       demonstrated expertise and capacity required for  
24       the conservation of a highly endangered amphibi-  
25       an species.*

1                             (2) *REQUIRED ELEMENTS.*—*A project proposal*  
2                             *shall include*—

3                             (i) *evidence of support for the project by*  
4                             *appropriate governmental entities of the country*  
5                             *in which the project will be conducted, if the Sec-*  
6                             *retary determines that such support is required*  
7                             *for the success of the project;*

8                             (ii) *evidence of sensitivity to local historic*  
9                             *and cultural resources and compliance with ap-*  
10                             *plicable laws;*

11                             (iii) *evidence of free, prior, and informed*  
12                             *consent by indigenous peoples and local commu-*  
13                             *nities in the areas the project will be conducted,*  
14                             *if the Secretary, based on the nature of the*  
15                             *project, determines that such consent is required*  
16                             *for the success of the project;*

17                             (iv) *information regarding the source and*  
18                             *amount of matching funding available for the*  
19                             *project; and*

20                             (v) *any other information that the Sec-*  
21                             *retary determines to be appropriate.*

22                             (c) *EVALUATION AND APPROVAL.*—

23                             (1) *GOALS.*—*The Secretary may approve a pro-*  
24                             *posal under this section if the project will—*

1                   (A) help recover and sustain viable popu-  
2                   lations in the wild of a highly endangered am-  
3                   phibian species with a range that is, in whole or  
4                   in part, outside of the United States;

5                   (B) enhance compliance with provisions of  
6                   the Convention and laws of the United States or  
7                   a foreign country related to the conservation of  
8                   a highly endangered amphibian species; or

9                   (C) develop sound scientific information on  
10                  that species' habitat, population numbers and  
11                  trends, reproduction, mortality, and other  
12                  threats to survival.

13                  (2) *METHODS.*—The Secretary may approve a  
14                  proposal under this section if the proposal would  
15                  achieve one of the goals set forth in paragraph (1)  
16                  through—

17                  (A) protection, restoration, and manage-  
18                  ment of habitat;

19                  (B) *in situ* research and monitoring of pop-  
20                  ulations, habitats, annual reproduction, and spe-  
21                  cies population trends;

22                  (C) development, implementation, and im-  
23                  provement of national and regional management  
24                  plans for a highly endangered amphibian species  
25                  and the habitat of such species;

- 1                             (D) enforcement and implementation of the  
2 Convention or the law of a foreign country to—  
3                             (i) protect and manage a highly en-  
4 dangered amphibian species or the habitat  
5 of such species;  
6                             (ii) prevent illegal or unsustainable re-  
7 moval of a highly endangered amphibian  
8 species from the wild; or  
9                             (iii) prevent illegal trade of a highly  
10 endangered amphibian species;
- 11                             (E) training and capacity building for local  
12 law enforcement officials in the interdiction and  
13 prevention of the illegal killing, removal from the  
14 wild, or trade of a highly endangered amphibian  
15 species;
- 16                             (F) an initiative to resolve a conflict be-  
17 tween humans and a highly endangered amphibi-  
18 an species;
- 19                             (G) research and implementation of projects  
20 to address disease and threats to the health of a  
21 highly endangered amphibian species;
- 22                             (H) community outreach and education on  
23 conservation of a highly endangered amphibian  
24 species and the habitat of such species; or

1                   *(I) strengthening the ability of local com-*  
2                   *munities to implement a conservation program.*

3                   *(3) CONSULTATION.—The Secretary shall, prior*  
4                   *to approving any proposal under this section, consult*  
5                   *with each of the following with respect to such pro-*  
6                   *posal:*

7                   *(A) The Government of each country in*  
8                   *which such proposal will be carried out.*

9                   *(B) Any other Federal agency the Secretary*  
10                  *determines is appropriate.*

11                  *(4) PREFERENTIAL CONSIDERATION.—In deter-*  
12                  *mining whether to approve a proposal, the Secretary*  
13                  *shall give preference to a proposal that—*

14                  *(A) is designed to ensure effective, long-term*  
15                  *conservation of highly endangered amphibian*  
16                  *species and their habitats; and*

17                  *(B) has matching funds available.*

18                  *(5) APPROVAL.—The Secretary shall, within 180*  
19                  *days of receiving a proposal under this section, ap-*  
20                  *prove or disapprove of the proposal and provide writ-*  
21                  *ten notification of such approval or disapproval to—*

22                  *(A) the person who submitted such proposal;*  
23                  *(B) any Federal agency the Secretary deter-*  
24                  *mines appropriate; and*

1                   (C) the foreign country in which such pro-  
2 posal would be carried out.

3                   (d) PROJECT REPORTING.—

4                   (1) IN GENERAL.—The Secretary shall require  
5 each person that receives assistance under this section  
6 to submit periodic reports including such information  
7 as the Secretary may require in order to evaluate the  
8 progress and success of each grant issued under this  
9 section.

10                  (2) AVAILABILITY TO THE PUBLIC.—Reports  
11 under paragraph (1), and any other documents relat-  
12 ing to projects for which financial assistance is pro-  
13 vided under this Act except for documents that the  
14 Secretary determines to be confidential in nature,  
15 shall be made available to the public.

16                  (e) LIMITATIONS ON USE FOR CAPTIVE BREEDING.—

17 Amounts provided as a grant under this Act—

18                  (1) may not be used for captive breeding of high-  
19 ly endangered amphibian species other than for cap-  
20 tive breeding designed for release into the wild; and

21                  (2) may be used for captive breeding of a species  
22 for release into the wild only if no other conservation  
23 method for the species is biologically or technically  
24 feasible.

1 **SEC. 4. HIGHLY ENDANGERED AMPHIBIAN SPECIES CON-**2 **SERVATION FUND.**

3       (a) *ESTABLISHMENT.*—*There is established in the Multi-*  
4 *national Species Conservation Fund a separate account*  
5 *to be known as the “Highly Endangered Amphibian Species*  
6 *Conservation Fund”, consisting of—*

7           (1) *amounts transferred to the Secretary of the*  
8 *Treasury for deposit into the Fund under subsections*  
9 *(d) and (e);*

10          (2) *amounts appropriated to the Fund under*  
11 *section 5; and*

12          (3) *any interest earned on investment of*  
13 *amounts in the Fund under subsection (c).*

14       (b) *EXPENDITURES FROM FUND.*—

15           (1) *IN GENERAL.*—*Subject to paragraph (2), at*  
16 *the request of the Secretary, the Secretary of the*  
17 *Treasury shall transfer from the Fund to the Sec-*  
18 *retary, without further appropriation, such amounts*  
19 *as the Secretary determines are necessary to carry out*  
20 *section 3.*

21           (2) *ADMINISTRATIVE EXPENSES.*—*Of the*  
22 *amounts in the account available for each fiscal year,*  
23 *the Secretary may expend not more than 3 percent,*  
24 *or up to \$150,000, whichever is greater, to pay the*  
25 *administrative expenses necessary to carry out this*  
26 *Act.*

## 1       (c) INVESTMENT OF AMOUNTS.—

2                 (1) IN GENERAL.—*The Secretary of the Treasury  
3 shall invest such portion of the Fund as is not, in the  
4 judgment of the Secretary of the Treasury, required to  
5 meet current withdrawals. Investments may be made  
6 only in interest-bearing obligations of the United  
7 States.*

8                 (2) ACQUISITION OF OBLIGATIONS.—*For the pur-  
9 pose of investments under paragraph (1), obligations  
10 may be acquired—*

11                     (A) *on original issue at the issue price; or*  
12                     (B) *by purchase of outstanding obligations  
13 at market price.*

14                 (3) SALE OF OBLIGATIONS.—*Any obligation ac-  
15 quired by the Fund may be sold by the Secretary of  
16 the Treasury at market price.*

17                 (4) CREDITS TO FUND.—*The interest on, and the  
18 proceeds from the sale or redemption of, any obliga-  
19 tions held in the Fund shall be credited to and form  
20 a part of the Fund.*

## 21       (d) TRANSFERS OF AMOUNTS.—

22                 (1) IN GENERAL.—*The amounts required to be  
23 transferred to the Fund under this section shall be  
24 transferred at least monthly from the general fund of*

1       *the Treasury to the Fund on the basis of estimates*  
2       *made by the Secretary of the Treasury.*

3           *(2) ADJUSTMENTS.—Proper adjustment shall be*  
4       *made in amounts subsequently transferred to the ex-*  
5       *tent prior estimates were in excess of or less than the*  
6       *amounts required to be transferred.*

7           *(e) ACCEPTANCE AND USE OF DONATIONS.—The Sec-*  
8       *retary may accept and use donations to provide assistance*  
9       *under section 3. Amounts received by the Secretary in the*  
10      *form of donations shall be transferred to the Secretary of*  
11      *the Treasury for deposit in the Fund. The Secretary may*  
12      *reject a gift under this section when the rejection is in the*  
13      *interest of the Government.*

14      **SEC. 5. AUTHORIZATION OF APPROPRIATIONS.**

15       *There is authorized to be appropriated to the Fund*  
16      *\$5,000,000 for each of fiscal years 2022 through 2027.*

17      **SEC. 6. REPORT TO CONGRESS.**

18       *Not later than 1 year after the date of enactment of*  
19      *this Act, and every 2 years thereafter, the Secretary shall*  
20      *submit to Congress a report on the results and effectiveness*  
21      *of the program carried out under this Act.*
